Higienizer hands (cleansing gel for hand washing)

Properties

It is a ready-to-use gel for hand washing at any time, without the use of soap and water. Contains alcohol to sanitize the hands. With emollient, it leaves the skin of the hands soft and fragrant.

How to use

The product is used without water. Pour a small amount of gel onto the palm and back of the hands and rub for a few seconds.

Warning

External use. In case of contact with eyes, rinse thoroughly with water. Do not swallow. Keep out of reach of children. It is not tested on animals.

Features

200 ml of fluid gel with emollient action, contains 60% alcohol. **ACTIVE on COVID19.**
